The mission of the Modest Means Program is to meet the overwhelming need for access to the justice system by those Orange County residents with low and fixed income where access to legal aid and pro bono assistance is not possible, and household resources are insufficient to pay prevailing hourly rates for legal services. The Modest Means Program will meet this need by providing those residents access to a panel of attorneys who, along with providing a public service, will also have the opportunity to broaden their practice with the guidance of more experienced attorneys.

To be eligible for a referral to an attorney through the Program, the caller’s annual gross household income must be under \$60,000, with less than \$10,000 in liquid assets. The Lawyer Referral & Information staff will determine the client’s eligibility. *The attorney verifies client eligibility.* The caller will also be told that the attorney will charge them at a rate of up to \$125.00 per hour for legal services. If the caller indicates that they are not able to afford these fees, they will be referred to the Legal Aid Society, the Public Law Center, or to another agency for assistance.

The rules and requirements of the Lawyer Referral & Information Service apply to the Modest Means Program as well. All members must be covered by a policy of errors and omissions insurance in the minimum amount of \$100,000.00 single occurrence and \$300,000.00 aggregate per year. For Family Law and Bankruptcy, and Immigration referrals, Modest Means panel attorneys must also meet the standard qualifications. Modest Means Program participants are not required to submit the standard 15% forwarding fee for Modest Means referrals.

To participate on the Modest Means Program **only**, there is a membership fee of \$75.00 (waived for Immigration Law). There is no additional fee for members of the Lawyer Referral & Information Service.
